

The Rosie Network was selected for the StreetShares "Commander's Call" award by former Chief of Staff for the U.S. Army, retired General George W. Casey. We are thrilled to be recognized for the work our team does on behalf of our nation's veteran and military spouse entrepreneurs.

On the StreetShares marketplace, small business owners can tell their story directly to investors. They pitch their business and retail and institutional investors place bids to fund a portion of their loan. It's like Shark Tank meets eBay. We hope you will take this opportunity to learn more.

The Rosie Network is a 501(c)3 non-profit organization committed to the success of our veteran and military spouse entrepreneurs. To date, TRN has served over 5,000 veterans and their family members. We can only do this with your help.
